## SUMMARY

I'm a dedicated and driven Computer Science student passionate about technology and its applications in solving real-world problems. With a keen interest in web development and UI/UX I'm constantly seeking opportunities to expand my knowledge and skills in these areas.

## EXPERIENCE

### CODSOFT

6/4/25-10/5/25

#### Web development intern

I'm currently working as a web development intern at Codsoft during which I'm honing my skills and working on projects using Html,css and javascript.

## PROJECTS

- Personal portfolio website made by using html and css.
- Landing page for a bakery which has been created using html,css, and javascript
- Created an online airline reservation system with basic features such as viewing,booking ,printing tickets and saving the passenger information to a database using java and mysql.
